

123A I Lift My Eyes To Thee

vs. 1-4

1. I lift my eyes to Thee
 2. As her hand
 3. Show us Thy grace, O LORD
 4. Our souls have had their fill

En throned a bove the skies.
 A maid en turns her face,
 Let us Thy turns fa her vor know;
 Of scoff ing and con tempt,

2As serv ants to their mas ter look,
 So we look to the LORD our God
 For we are filled with their con tempt,
 From those who live a life of ease,

To Thee I lift my eyes.
 That He all might show us grace.
 And all from the scorn they show.
 And from the arrogant ro gant.
