Index of Cross References to the THREE FORMS OF UNITY

This harmony of the Three Forms of Unity, based on the order of the *Heidelberg Catechism*, is intended to serve as an aid in locating related statements of doctrine found in the other confessions. A word of caution, however, is in order. Each of the confessions has its own peculiar function, since each was designed to meet specific needs of the church at a given time. A harmony of the confessions can be used with profit only when the independence and integrity of each confession is respected.
